

To:	All NASA Civil Servants and Contractors
Subject:	NAMS Upgrade Virtual Town Hall Learning Opportunities
What is Happening:	<p>On November 12, 2014, a significantly enhanced version of the NASA Access Management System (NAMS) will be available. NAMS is utilized to request access to applications and facilities. In order to ensure all users across the Agency have an opportunity to view and learn the new NAMS prior to the release date, various Center Town Halls and virtual Town Halls will be held October 28 – November 5.</p> <p>*Please note not all Centers will be conducting Town Halls. To view the current listing of scheduled events including the virtual Agency Town Halls click here.</p>
Required User Action:	<p>There is no specific user action required at this time, however we do recommend and encourage you take part in either a scheduled virtual Agency Town Hall or a Center Town Hall to learn more. When Accessing NAMS beyond November 12, 2014, a new url will need to be used. The new url will be https://nams.nasa.gov. For additional information related to the NAMS 7.0 release please click here.</p>
NAMS Approver/Sponsor Action Required:	<p>If you are an approver or sponsor you will need to approve all items in your NAMS queue no later than November 7, 2014 at 6:00 pm CT to prevent requests from canceling due to timing out in your queue.</p>
Applications Affected:	NASA Access Management System (NAMS)
Benefits:	<ul style="list-style-type: none"> • An enhanced user interface with a new look and feel, including navigation and alerts, for all users. • The new user-based landing page provides user with an overview of provisioned and in-process requests, as well as a starting point for new requests. • The new interface offers the ability to track the status of user requests and recommend system/application access to other users.
Support:	<p>If you have questions regarding this message please email MSFC-NEACC-ICAM-Communication@mail.nasa.gov.</p>
